Who we are

OWASP, the acronym for Open Worldwide Application Security Project, is a community working for the security of web applications, mobile apps, cloud and related tools. OWASP is well-known for being a long-living group of security professionals and enthusiasts working together to improve applications' security.

Founded in 2001, we operate as an open community driven by volunteers and industry leaders.

OUR ACTIVITIES

OWASP has gained worldwide visibility through different projects, programs, and events. You may already know us with some of the following examples.

FLAGSHIP PROJECTS

- OWASP Top Ten: The most critical security risks to web applications.
- OWASP CycloneDX: a full-stack Bill of Materials (BOM) standard that provides advanced supply chain capabilities for cyber risk reduction.
- OWASP Juicy Shop: Probably the most modern and sophisticated insecure web application for security trainings, awareness demos, and CTFs
- Dependency-Check: Identifying vulnerable components.

BEST PRACTICES AND POLICIES

- SAMM (Software Assurance Maturity Model)
- ASVS (Application Security Verification Standard)

EVENTS

- OWASP Global AppSec: These three conferences happen on different sides of the world and might bring more than 1000 participants coming for one, two or three days of training by renowned experts and two days of conferences
- OWASP AppSec Days: These conferences take place within each country. Regional events include project summits, standards-setting, training, events, unconference, or another activity type.
- OWASP Meetups: OWASP France organizes a monthly event.

OWASP FRANCE

OWASP FRANCE HAS BEEN HISTORICALLY MANAGED BY SÉBASTIEN GIORIA. SINCE 2019, TWO NEW CHAPTER LEADERS HAVE JOINED HIM TO HELP OWASP GAIN MORE VISIBILITY IN FRANCE.

Why Sponsor OWASP AppSec Days France 2025?

ENHANCE YOUR BRAND VISIBILITY AND REACH

Sponsoring an OWASP conference places your brand at the forefront of the cybersecurity industry. These conferences attract a diverse audience of developers, security professionals, and decision-makers worldwide.

As a sponsor, your company will gain unparalleled exposure through various promotional channels, including event signage, digital media, and printed materials. This visibility not only enhances brand recognition but also positions your company as a leader in the field of cybersecurity.

ENGAGE WITH A TARGETED AUDIENCE

OWASP conferences are renowned for bringing together some of the brightest minds in cybersecurity and software development.

By sponsoring, your company will have direct access to this targeted audience, providing opportunities for networking, collaboration, and business development. Whether you're showcasing your latest products at your booth or sharing insights during an informal speech at lunchtime, your company will have numerous avenues to connect with potential customers and partners deeply invested in security.

We also expect to create partnerships with schools to bring students and future professionals to this event. This might provide a great opportunity to get in touch with them.

DEMONSTRATE YOUR COMMITMENT TO SECURITY

Sponsoring an OWASP conference signals your company's dedication to advancing cybersecurity. It shows that you are not only committed to protecting your assets but also contributing to the broader community's efforts to safeguard the digital world. This commitment can enhance your company's reputation, building trust and credibility with clients, partners, and stakeholders who prioritize security.

Sponsorship Levels

Three levels are available to help us create this unique event in France.
Your sponsorship will directly support our chapter meetings, covering speaker fees and catering expenses.

Other Sponsorship Options

SPEAKER DINNER

Sponsor for the social event on the evening of 22nd Sep. 2025

Cost: 3000 €

Speaker dinner will be the starting point of the conference. Everyone gets to know and share their first impression. As a dinner sponsor, you will have the first access to cybersecurity professionals for networking, partnership, and recruitment to develop your business. Be the first to get in touch with these matters and gain visibility from day one.

SOCIAL EVENT SPONSOR

Sponsor for the social event on the evening of 23rd Sep. 2025

Cost: 6000 €

Social sponsorship at the OWASP France conference entails hosting the evening event near the conference venue and providing attendees with dinner and drinks. As a social sponsor, you'll have the opportunity to engage with conference participants in a relaxed setting, fostering networking and camaraderie among industry professionals.
